MESSAGE FROM THE PRODUCT LEADS

Deb Blow, Sandie McCoy, Sheree Ferguson

Join us for the TAFE Queensland Product Portfolios' state-wide industry conference in 2025!

On 2 July 2025 educators and educational leaders from **Business, Finance, Health and Nursing** programs delivered across the six (6) TAFE Queensland regions will gather at the TAFE Queensland Gold Coast Southport Campus to network with you, our invited Industry representatives, to connect and collaborate on programs being delivered.

This conference provides a unique opportunity for face-to-face collaboration and sharing between educators and TAFE Queensland's industry partners. This conference creates a platform for all to come together and build a shared understanding of contemporary best practice in delivery practices that ensures TAFE Queensland graduates have the knowledge and skills needed in industry.

The conference aims to capture TAFE Queensland's key objective of enabling students to transform their lives and those of their communities whilst showcasing our reputation for delivering a high standard of contemporary, globally relevant skills and knowledge. This conference brings an opportunity for TAFE Queensland to ensure graduates are job ready and future focused.

Conference sessions will be held at TAFE Queensland Gold Coast Southport Campus. Following on from the conference, delegates are invited to join the planning committee for drinks just a short stroll from the Campus.
